The Ontario Herbalists Association

PO Box 123, Station D,
Etobicoke, ON M9A 4X2

- I am presently training to be a professional herbalist. Please identify me as a student member.
- I would like information about becoming a professional member.
- Please do not contact me about any other events or opportunities.

THE ONTARIO HERBALISTS ASSOCIATION

For over twenty years, the Ontario Herbalists Association has promoted safe and natural healing with plant medicines. Whether your focus is medical, practical, culinary or horticultural, the OHA provides a number of opportunities to enjoy and support the world of herbs.

Althaea officinalis

OUR MISSION

Preserving the diversity of herbalism in all its ethnic, cultural and philosophical traditions.

*

Promoting public awareness and education regarding herbalists and herbalism.

*

Establishing self-regulation and standards of education and training, codes of ethics and practice, and certification for professional herbalists practising in Ontario.

*

Enhancing communication among herbalists and herbal enthusiasts.

*

Representing herb enthusiasts and professional herbalists in negotiations with government regulatory bodies.

*

Teaching awareness and protection of medicinal plant species.

*

Supporting ethical research in herbal medicine.

*

Providing leadership and direction for herbalism in the 21st Century.
